

Embark on a Hooked Adventure: Crochet 18 Enchanting Fairy Tale Creations

Curses & Magic

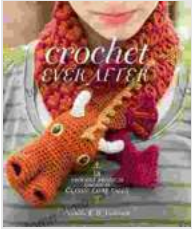

Using a hook and your own two hands, you can change a long piece of string into socks, or a hat, or a little girl who turns into a flower, for that matter—the possibilities are infinite! If that's not magic, I don't know what is. But beware! Once you are hooked on this kind of magic (pun intended) there's a curse that comes along with it: no matter how much yarn you own, somehow you will feel like you never have enough.
