Belford's journey begins in the early 1960s, a time of social and cultural upheaval. London is at the epicenter of the Swinging Sixties, and Belford finds herself caught up in the whirlwind of change. She embraces the era's iconic fashion, attending legendary fashion shows and modeling for some of the most influential designers of the time. She immerses herself in the vibrant music scene, attending concerts by the Beatles, the Rolling Stones, and other groundbreaking artists.

But alongside the glamour and excitement, Belford also witnesses the darker side of the 1960s. She grapples with the Vietnam War, the rise of counterculture, and the changing roles of women in society. Through her personal experiences, she provides a unique perspective on the complexities and contradictions of this unforgettable era.
