If you're being harassed online, it's important to know that you're not alone. There are people who care about you and want to help. And there are resources available to help you stay safe and fight back against your harassers.

Help In Hot Lava is a comprehensive guide to online harassment. It provides support and advice to victims and allies alike. In this book, you'll learn:

- What online harassment is and how to recognize it

- The different forms of online harassment and how to deal with each one
- How to stay safe online and protect yourself from harassment
- How to fight back against your harassers and hold them accountable
- How to support victims of online harassment

Help In Hot Lava is an essential resource for anyone who wants to learn more about online harassment and how to fight it. It's a valuable tool for victims, allies, and anyone who wants to make the internet a safer place for everyone.

About the Author

Emily Doe is a survivor of online harassment. She has been stalked, doxed, and threatened with violence. Emily founded the organization Help In Hot Lava to provide support and resources to victims of online harassment. She is a leading expert on the topic and has spoken about her experiences at conferences and universities around the world.
