Who is Judith Butler?

Judith Butler is a renowned philosopher and gender theorist whose work has profoundly shaped feminist and queer theory. Her groundbreaking insights on gender performativity have reshaped our understanding of the complex relationship between gender, power, and identity.

What is "Feminists Theorize the Political"?

"Feminists Theorize the Political" is a collection of essays that explore the intersection of feminism and political theory. Butler argues that gender is not a natural or fixed category but rather a performance that is shaped by social and cultural norms.

Through her analysis of gender performativity, Butler challenges conventional notions of identity and power, opening up new possibilities for understanding gender equality and social justice.
